TERRITORY OF MONTANA, }  
AUDITOR'S OFFICE, }  
HELENA, M. T., JANUARY 1ST, 1883. }

*To His Excellency, B. F. POTTS, Governor of the Territory of Montana :*

SIR :—In compliance with law, I have the honor to submit herewith the Annual Report of this office, for the fiscal year ending December 31st, 1882.

There are at present two deaf mutes being educated at the expense of the Territory, at the Columbia Institution for the Deaf and Dumb, at Kendall Green, near Washington, D. C. No provision has been made by the Legislature for the return of this class of Territorial wards to their parents or guardians after the contract term of education is concluded.

The abstracts of the assessment of the Territory show a large amount of property returned under the heading of "All other property," a large proportion of which is owned by railroad corporations. I would most respectfully suggest that the property lists used by the County Assessors be so changed as to designate this class of property in detail.

Under the present law, the compensation for the pamphlet printing for the Territory is governed by the rates established by the Secretary of the Treasury of the United States, which have been so frequently changed since the passage of the printing law, that I deem it advisable that an unconditional rate be designated by law not subject to frequent and unnecessary changes.

It is most gratifying to note that the Territory is virtually free from debt, that our finances are in a most healthy condition, and that there has been a large increase of property during the past year without a corresponding increase in the expenses of the Territory.

Very Respectfully,

Your Obedient Servant,

J. P. WOOLMAN,

Territorial Auditor.

OFFICIAL REPORT  
OF THE  
TERRITORIAL AUDITOR,  
FOR THE  
FISCAL YEAR 1882.

REPORT  
OF THE  
TERRITORIAL TREASURER,  
FOR THE  
FISCAL YEAR, 1882.

---

TERRITORY OF MONTANA, }  
TREASURER'S OFFICE, }  
HELENA, M. T., January 1, 1882. }

*To His Excellency, B. F. POTTS, Governor :*

SIR:—In compliance with law I have the honor to submit the following report, showing the present status of this office and its transactions for the fiscal year ending and including December 31, 1882.

There has been quite a large increase of Territorial revenue over the previous fiscal year, amounting to \$15,576 83.

The most gratifying feature of the Territorial finances for 1882 is the virtual extinguishment of the debt. For the first time since the organization of the Territory it can be said that Montana owes nothing. It is true that there are seven per cent. bonds outstanding to the amount of \$70,000 00, but I have called for redemption on this day \$25,000 00 of bonds, which exhausts all moneys legally applicable to the Sinking Fund, and there are moneys in the Treasury sufficient to redeem the \$45,000 bonds uncalled, and to liquidate all registered liabilities of the Territory, leaving a surplus of \$14,005 90.

It is to be hoped that the Legislative Assembly at its approaching session will, at as early a day as practicable, enact a law authorizing the Treasurer to transfer from the Warrant Fund a sufficient amount to cancel the remainder of the bonded indebtedness.

I have the honor to be,

Very respectfully,

Your obedient servant,

D. H. WESTON,  
Territorial Treasurer.
